AN ACT ... relating to: the budget.

Analysis by the Legislative Reference Bureau

✓ VETERANS AND MILITARY AFFAIRS

Under current law, DVA must safeguard and preserve a collection for display in the state veterans museum. The collection consists of flags and other mementos of Wisconsin military units serving in the nation's wars. This bill creates an appropriation to provide for the operation of a storage facility for this collection.

Under current law, all moneys received from the sale of items at the Wisconsin veterans museum are deposited in the veterans trust fund and appropriated for general program operations of DVA. This bill changes this appropriation so that the moneys are deposited in, and appropriated from, the general fund.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

Karina,

My apologies for the oversight. The listed appropriations should have been addressed, as noted below, in the Department's budget submission.

Alpha	Numeric	Title	Comments
2 (kt)	228	Operation of Wisconsin veterans museum; Indian gaming receipts	This appropriation was not listed in the 485_B5B6 Maintenance.xls file that you approved on July 27, 2010, but you had communicated to Zolonda your intention to deactivate it. <i>This appropriation should not be transferred to Program 5.</i>
2 (mn)	242	Federal projects; museum acquisitions and operations	It was our oversight to not transfer this appropriation. <i>The appropriation should be transferred to Program 5.</i>

11/5/2010

2 (tm)	270	Facilities	<p>This appropriation is not exclusive to the Museum as the Chapter 20 language indicates; it is also for the department as a whole. However, it was our oversight to not recommend statutory language changes to this appropriation and the creation of an equivalent GPR appropriation in Program 2 as part of DIN 6505, the latter of which would have then been transferred to Program 5 as part of DIN 6506. <i>The Chapter 20 language for appropriation 2 (tm) should be revised as follows: "Facilities. As a continuing appropriation, the amount in the schedule to acquire, construct, develop, enlarge or improve facilities for the Wisconsin Veterans Museum and the department of veterans affairs." A GPR appropriation should be created for the Museum in Program 5 that provides as a continuing appropriation, the amount in the schedule to acquire, construct, develop, enlarge or improve facilities for the Wisconsin Veterans Museum.</i></p>
2 (wd)	263	Operation of Wisconsin Veterans Museum	<p>In DIN 6505 the department requests that the SEG budget authority and positions be transferred from this appropriation to GPR alpha 2 (c). <i>Assuming the approval of DIN 6505, it is not necessary to transfer this appropriation to Program 5.</i></p>
2 (zm)	282	Museum Gifts and Bequests	<p>It was our oversight to not "convert" this appropriation from a SEG to a PR appropriation in Program 2 as part of DIN 6505 and then transfer this appropriation to Program 5 as part of DIN 6506. <i>The appropriation should be transferred to Program 5 as a PR appropriation.</i></p>

Please let me know if you need anything further on this.

Hi Colleen,

I got a question from the drafter regarding the request to create Program 5, Veterans Museum. She points out

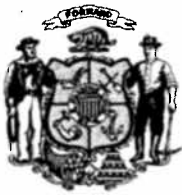

11/5/2010

that there currently are several other appropriations in Program 2 (not mentioned in your request) that are related to the museum. She was wondering if you would like them to be transferred to program 5 as well. The appropriations are 2 (kt), (mn), (tm), (wd), and (zm).

Please let me know what your take on this is.
